The original version of this article unfortunately contained an error in Table 2.

Table 2 should be shown as follows.

In addition, in the “Results” section, in the second paragraph under the subheading “The evaluation of treatment,” the first sentence should read as follows.

“Changes in number of small intestinal erosion in the placebo group were 2.1 ± 3.9 , and -2.5 ± 3.4 in the rebamipide group ($P < 0.0001$).”

Table 2 The healing effect of rebamipide in patients with small bowel injuries at 4 weeks

	Placebo (<i>n</i> = 30)	Rebamipide (<i>n</i> = 31)	A.D.	95 % CI	<i>P</i> value
Erosion	2.1 ± 3.9	-2.5 ± 3.4	-4.6	-6.5 to -2.7	<0.0001
Ulcer	0.1 ± 0.7	-0.5 ± 1.6	-0.6	-1.4 to -0.1	0.024
Reddened lesion	-0.2 ± 3.7	-2.3 ± 3.8	-2.1	-4.1 to -0.2	0.003

A.D. absolute difference, 95 % CI 95 % confidential interval
