The authors of the manuscript would like to add an acknowledgment to the Wetenschappelijk College Fysiotherapie (WCF) of the Royal Dutch Society for Physical Therapy (KNGF) that funded this study. The authors wish

also to express that this funding body did not have any role in design, conduction, analysis, and interpretation of data, nor in writing this manuscript and deciding to submit this manuscript for publication. The views expressed in the manuscript are those of the authors and do not necessarily reflect those of their funding bodies.

The online version of the original article can be found under doi:[10.1007/s00586-015-3892-3](https://doi.org/10.1007/s00586-015-3892-3).
