Erratum to: Plant Syst Evol (2009)
DOI 10.1007/s00606-008-0092-1

In the published original article, the following information should be read along with the legend of Fig. 5:

DNA ladder markers (*M*) lanes and samples in lanes 1–9 in both part figures **a** and **b** were run separately under similar gel electrophoresis conditions and were later put together using tools of Adobe Photoshop CS2.

The online version of the original article can be found under doi:[10.1007/s00606-008-0092-1](https://doi.org/10.1007/s00606-008-0092-1).
