**Correction to:** Theoretical and Applied Climatology  
<https://doi.org/10.1007/s00704-020-03405-y>

The original version of this article unfortunately contained mistakes. The proof corrections in Eq. 9 and Tables 3 and 5 were unfortunately not implemented. The corrected data are given below. In addition, affiliations of the 1st author have been updated. The original article has been corrected.

$$C = \frac{\text{DS_Minus}}{\text{DS_Minus} + \text{DS_Plus}} \quad (9)$$
