

## **Announcement**

### **ICTV Executive Committee meeting**

The Executive Committee of ICTV will meet in the Danforth Center, St Louis on the 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> of May this year. The agenda will include

- Taxonomic proposals discussed at the previous meeting and currently available for inspection and comment at [www.ictv.ac.uk](http://www.ictv.ac.uk).
- New taxonomic proposals.
- The proposal for non-latinized binomial nomenclature for virus species names.
- The forthcoming 8<sup>th</sup> ICTV Report.
- The universal virus database.
- ICTV events at the Paris Virology Congress.
- Prospects for developing higher taxonomy.

If anyone has opinions about these agenda items and/or subjects they think the EC should discuss, they should contact one of the ICTV Secretaries (Mike Mayo at [mmayo@scri.sari.ac.uk](mailto:mmayo@scri.sari.ac.uk) or Claude Fauquet at [cmf@danforthcenter.org](mailto:cmf@danforthcenter.org)) before 25<sup>th</sup> April.
