In the original publication, the captions of figures 3, 4, 5 and 6 are incorrect and they are revised in this correction article.

The correct figure captions are as follows:

Fig. 3 Effect of dimensionless phase velocity c/c_1 on dimensionless wave number \bar{k} for increasing value of α/k for model 2

Fig. 4 Effect of dimensionless phase velocity c/c_1 on dimensionless wave number \bar{k} for increasing value of kl for model 1

Fig. 5 Effect of dimensionless phase velocity c/c_1 on dimensionless wave number \bar{k} for increasing value of kl for model 2

Fig. 6 Effect of dimensionless phase velocity c/c_1 on dimensionless wave number \bar{k} for increasing value of $\bar{\beta}_1$ for model 1

The original article has been corrected.
