Correction to: Medical Molecular Morphology
<https://doi.org/10.1007/s00795-020-00266-2>

In the original publication of the article, in “Materials and methods” section under the heading “Histological scoring”, the first sentence should be “After DSS administration, mice were sacrificed, and the entire colon was excised, fixed with 10% formaldehyde solution (Wako Pure Chemical Industries Ltd., Osaka, Japan) and embedded in paraffin”.

The original article can be found online at <https://doi.org/10.1007/s00795-020-00266-2>.
