Correction to: Hernia

<https://doi.org/10.1007/s10029-021-02441-5>

After online publication, the Authors found that the following data were incorrect.

Abstract, result section: the following sentence “1.78% for surgical, 0.49% for non-surgical, $p < 0.01$ ”

Should read:

“0.49% for surgical, 1.78% for non-surgical, $p < 0.01$ ”

Page 3, Results Section, paragraph 2, line 2, the following sentence:

“1.78% for surgical, 0.49% for non-surgical, $p < 0.01$ ”

Should read:

“0.49% for surgical, 1.78% for non-surgical, $p < 0.01$ ”

The Authors apologise for the oversight.

The original article has been corrected.
