Correction: Hydrogeology Journal

<https://doi.org/10.1007/s10040-021-02321-3>

The original article has been corrected.

The original version of this article unfortunately contained a mistake. The presentation of Fig. 11 was incorrect. The corrected figure is given below.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

Fig. 11 ^4He concentrations plotted against R/R_a values. A ^4He production curve based on Eqs. (1) and (2) (Solomon 2000) as well as the atmospheric R/R_a value (Solomon 2000) are added for reference. Site symbols correspond with those in Fig. 1

The online version of the original article can be found at <https://doi.org/10.1007/s10040-021-02321-3>
