Retraction Note to: Bulletin of Engineering Geology and the Environment (2018) 77:803–814
<https://doi.org/10.1007/s10064-016-0984-1>

The Editors-in-Chief have retracted this article because it was previously published by Khanlari et al. (2015). This article is therefore redundant.

None of the authors have responded to any correspondence from the editor/publisher about this retraction.
