Correction to: Lasers Med Sci

<https://doi.org/10.1007/s10103-018-2474-0>

The published online version contains incorrect data in Table 2 caption. Argon should not be mentioned in the caption as this is not used in this paper. Correct Table 2 caption should read: Comparison of the full-field electretinogram (ERG) indices between SP and TP groups before and after laser panretinal photocoagulation (PRP).

The online version of the original article can be found at <https://doi.org/10.1007/s10103-018-2474-0>
