## Correction to: Lasers Med Sci

<https://doi.org/10.1007/s10103-022-03520-4>

In the published online paper, the phrase “The iHelmet is an LLLT device with a light source consisting of two hundred 5 mW laser diodes (650 nm) in seven scalp sections” under the Methods section should be “The iHelmet is an LLLT device with light sources consisting of two hundred laser diodes (5 mW, 650 nm) in seven scalp sections”. Also, under Background section in the 2<sup>nd</sup> paragraph “Slinph Technology Co., Ltd,” should be “Slinph Technologies Co., Ltd”.

**Publisher’s note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article has been corrected.
