Correction to: Regional Environmental Change

<https://doi.org/10.1007/s10113-019-01547-y>

The article which was recently published contained a minor error in Figure 1. The author incorrectly sent Figure 1, relating to another study (*Carpobrotus* not *Streptopelia*). The correct figure is given in this article.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
