**Correction to: Mar Biotechnol (2019) 21:515–525**  
<https://doi.org/10.1007/s10126-019-09899-6>

The original version of this article unfortunately contained an error in the abstract section. In line 5, the phrase “... *O. brevibarba* was a diploid with 48 chromosomes” should be presented as “... *O. brevibarba* was a diploid with 50 chromosomes”.

**Publisher's Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
