The original version of this article, unfortunately, contained errors.

1. The middle initials for the first, fourth, and fifth authors were missing. Their complete names are Cuong T. Nguyen, Scott D. Steenburg, and Fred M. Moeslein.

2. Cuong T. Nguyen and Nitima Saksobhavit's names were incorrectly spelled to "Coung" and "Saksobahavit," respectively, in the original. The correct spelling is reflected in this article.
3. The correct publication year for reference [8] is "2008" and not "008". The correct reference is: Marmery H, Shanmuganathan K, Mirvis SE et al (2008) Correlation of multidetector CT findings with splenic arteriography and surgery: prospective study in 392 patients. J Am Coll Surg 206(4):685–693.
