Correction to: Emergency Radiology (2021).

<https://doi.org/10.1007/s10140-021-01921-6>

The original article contains an error in Fig. 3. The figure and the percentages shown on it are both correct, but the number in brackets for one pair of the bars, the SRMO pair of bars, has a typographical error. The text reference in the paper to the figure also shows the incorrect number in brackets. The corrected version of the figure is presented here.

The original article has been corrected.
