In the original publication of the article, Under the heading “Discussion”, in sixth paragraph, the sentence that reads as “One of the most popular hypotheses is that decorations increase prey capture (Craig and Bernard 1990; Walter 2018) by making the web more attractive to prey.” should read as “One of the most popular hypotheses is that decorations increase prey capture (Craig and Bernard 1990) by making the web more attractive to prey.” and the reference that should be excluded.

“Walter A (2018) Tracing the evolutionary origin of a visual signal: the coincidence of wrap attack and web decorating behaviours in orb web spiders (Araneidae). *Evol Ecol* 32:159–170. <https://doi.org/10.1007/s10682-018-9930-y>”
