Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

In the original publication, in Results section, the sentence starting with “Three silver eels...” has been incorrectly published with the word “Query” in between the text. The corrected sentence should read as:

Three silver eels, which did not indicate different distribution than individuals of similar body size, might be immediately after beginning to mature for spawning migration.

The original publication has been corrected.

The original article can be found online at <https://doi.org/10.1007/s10228-019-00704-x>.
