Correction to: Annali di Matematica Pura ed Applicata (1923-) <https://doi.org/10.1007/s10231-019-00837-w>

Unfortunately, the original article contained few typesetting errors in the equations. The corrected equations are given below.

(1) Line 250 the equation should be:

$$T(gT_X(f_n) + f_nT_{X'}(g)) = (T_X(f_n))(T_{X'}(g)) - f_ng, \quad \text{a.e.}, \quad (3.6)$$

(2) Line 649 the equation should be:

$$\|h\|_{L^1} \leq (4\pi/\varphi_X(1))\|h\|_{[T, X]}, \quad h \in [T, X],$$

The original article has been corrected.
