lateral collateral ligament (LCL) and medial collateral ligament (MCL) were switched in the original Fig. 1a. The corrected figure is provided below (Fig. 1).

Based on a reader comment, it has become clear that, in the originally published version of the article, Fig. 1 was published with incorrect anatomical labels. In particular, the

The original article can be found online at <https://doi.org/10.1007/s10237-016-0805-2>.
