Correction to: Portuguese Economic Journal

<https://doi.org/10.1007/s10258-021-00197-5>

Equation 1 is incorrect in the original article, the correct Eq. 1 should be the below:

$$\left\{ \begin{array}{l} w(t, x) = \left[\mu \int_S w(t, y) G(t, y)^{\sigma-1} e^{-(\sigma-1)\tau|x-y|} d\Lambda(t, y) \right. \\ \quad \left. + \frac{1-\mu}{2\pi} \int_S G(t, y)^{\sigma-1} e^{-(\sigma-1)\tau|x-y|} dy \right]^{\frac{1}{\sigma}}, \\ G(t, x) = \left[\int_S w(t, y)^{1-\sigma} e^{-(\sigma-1)\tau|x-y|} d\Lambda(t, y) \right]^{\frac{1}{1-\sigma}}, \\ \omega(t, x) = w(t, x) G(t, x)^{-\mu}, \\ \frac{\partial \Lambda}{\partial t}(t, x) = \gamma \left[\omega(t, x) - \int_S \omega(t, y) d\Lambda(t, y) \right] \Lambda(t, x), \end{array} \right. \quad (1)$$

The original article has been corrected.
