Letter to the Editor re: “The Radiology Digital Dashboard: Effects on Report Turnaround Time.”

We would like to point out the contributions of several people who assisted in the creation of our article, “The Radiology Digital Dashboard: Effects on Report Turnaround Time.”⁽¹⁾ Thomas Warfel, Audrey Warfel, and Kenneth Crane created the software that we used as a control in our experiment demonstrating the utility of PACS integration for digital dashboards.

Sincerely,

Barton F. Branstetter
