Correction to: Rev World Econ DOI 10.1007/s10290-017-0293-1

In the original publication of the article, the sign “<” has been converted into latex code “lt0” and the sign “>” has been missed in one of the equations. The correct equation is given below:

$$\frac{\partial W^{\zeta}}{\partial p_s^{\zeta}} < 0; \quad \frac{\partial W^{\zeta}}{\partial w^{\zeta}} > 0.$$

The original article was corrected.

The online version of the original article can be found under doi:[10.1007/s10290-017-0293-1](https://doi.org/10.1007/s10290-017-0293-1).
