In the original publication of the paper, the below lines were wrongly publishes on page 22 as:

Over that period Belgian firms were obliged to declare to the NBB any service transaction above 12,500 euros (9000 euros from 1995 to 2001) in which the counterpart was a foreign entity, without any difference between intra-EU and extra-EU trade.

The correct sentence should read as:

Over that period Belgian firms were obliged to declare to the NBB any service transaction above 12,500 euros (25,000 euros from 1995 to 2001) in which the counterpart was a foreign entity, without any difference between intra-EU and extra-EU trade.
