<https://doi.org/10.1007/s10291-021-01140-z>

In the original version of this article, Eq. (14) was presented incorrectly. The correct equation is provided below:

$$\bar{N}_{\text{IF},\text{SD}}\lambda_{\text{IF}} \sim = \lambda_1 \frac{f_1 f_2}{f_1^2 - f_2^2} \overline{\text{WL}}_{\text{SD}} + \lambda_1 \frac{f_1}{f_1 + f_2} \left(\overline{\text{NL}}_{\text{SD}} - b_{\text{NL},\text{SD}}^s \right) \quad (14)$$

The original article has been corrected.
