The paper by James R. Anderson and Gordon G. Gallup Jr., entitled “Mirror self-recognition: a review and critique of attempts to promote and engineer self-recognition in primates.” (Anderson and Gallup 2015) was cited most frequently in 2017 among those published in *Primates* during the period from 2015 to 2016.

The authors thus contributed greatly to enhancing the reputation of our journal. For this achievement, the authors receive declarations attesting to their contributions from the Japan Monkey Centre, the Primate Society of Japan, and Springer.

James R. Anderson

Gordon G. Gallup Jr.

10 September 2018
