Correction to: *Journal of Ornithology*
<https://doi.org/10.1007/s10336-021-01879-9>

The original article has been updated.

In the original publication of the article, "Availability of data and materials" section was published with an error.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

It is given as "Sound recordings used to generate spectrograms (Fig. 1, Fig. 2, Online resource 1) are provided at <https://doi.org/10.7479/b478-jj11>" but it should be "All experimental recordings used in the analysis have been deposited in the Animal Sound Archive at the Museum for Natural History in Berlin and are available under the CC-BY-SA Licence at the following <https://doi.org/10.7479/b478-jj11>".

The original article can be found online at <https://doi.org/10.1007/s10336-021-01879-9>.
