Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

In the original publication, the title was wrongly published. The correct title should read as “Comparative study of the UV-Chemometrics, Ratio spectra derivative and HPLC-QbD methods for the simultaneous estimation of carisoprodol, paracetamol and caffeine in its triple combination formulation CARISOMA”. This title is correct and it should be used in the final manuscript.

The original article can be found online at <https://doi.org/10.1007/s10337-020-03979-9>.
