**Correction to:** *Chromatographia* (2019) 83:423–437  
<https://doi.org/10.1007/s10337-019-03845-3>

In the Original publication under section “Result and Discussion” and subsection “Method Development”. The values in the sentence “Its distribution coefficient at pH 2.0 is – 3.22 and at pH 7.4 is – 3.1” are wrong.

It should be as given below.

“Its distribution coefficient at pH 2.0 is – 3.53 and at pH 7.4 is – 3.38”.

**Publisher's Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
