Kyoji Sassa

Program for plenary sessions of the Fifth World Landslide Forum

The Fifth World Landslide Forum (WLF5) will be organized at the National Kyoto International Conference Center (KICC) in Kyoto, Japan, on 2–6 November 2021. As the COVID-19 situation is still unpredictable in many countries, the Forum will be organized in a hybrid mode. Oral presentations will be conducted through onsite, online/virtual, or prerecorded modes.

The WLF5 secretariat asked all oral presentation speakers to provide their preferences for the presentation mode by 31 March 2021. However, the speakers may switch the presentation mode by 15 September 2021. Then the updated presentation program will be made by the end of September 2021. The oral presentation program based on the replies from oral presenters by 31 March 2021 was reported and published in the June issue of *Landslides* (Sassa 2021a). A total of 479 speakers from 52 countries/regions have registered—125 from Japan, 56 from China, 53 from Italy, 21 from the USA, 14 from India, 13 from the UK, 12 from Indonesia and Chinese Taipei, and 11 from the Czech Republic and Norway. Currently, 240 speakers will be onsite speakers with an additional 159 and 80 online and undecided speakers, respectively. A list of names, offices, and titles of those oral speakers is to be published in the July issue of *Landslides* (Sassa 2021b).

The organizing committee has made the program of plenary sessions of WLF5 based on the information obtained by 5 June 2021. Plenary sessions will also be organized in a hybrid mode (onsite, online/virtual, or prerecorded modes). Since the COVID-19 vaccination was recently accelerated in Japan, the state of COVID-19 in November 2021 will be much clearer by 15 September 2021. We hope that the number of participants who will have finished both doses of the vaccination will have increased by the opening of WLF5 in November 2021.

The program for the plenary sessions of WLF5 as of 5 June 2021 is presented in the following table. Because the conference is in a hybrid mode, times are provided in three time zones: Japan Standard Time: JST, Central European Time: CET, and Pacific Daylight time: PDT as the reference for presentation mode (onsite, online/virtual, or prerecorded modes). Registration of oral speakers was closed. However, the registration for electronic poster presentation and nonspeakers remains open.

Call for poster presentation and nonspeaker participants

- 1) Call for electronic poster (e-poster) presentations:
 - Authors of e-posters can choose (1) 3-min oral presentation, (2) no talk, or (3) nonattendance.
 - Deadline of submission: 10 August 2021
 - Notice of acceptance: 10 September 2021
 - Deadline for registration fee payment: 31 July 2021
 - Registration fee for e-posters: 36,000 JPY

- Additional registration fee for authors of one-page abstract, full-color books, e-proceedings: 15,000 JPY
- Registration fee includes vol. 1 of full-color e-books, e-proceedings, e-posters, abstract volume, and participation in all sessions onsite or online.
- For any e-posters that are not accepted, 100% of the paid registration fee will be refunded.

2) Call for nonspeaker participation:

- Registration fee for nonspeakers by 31 July 2021: 26,000 JPY
- Registration fee for nonspeakers after 1 August 2021: 31,000 JPY
- Nonspeakers may attend all sessions online or onsite.
- Nonspeakers will receive vol. 1 of full-color e-books, e-proceedings, e-posters, and abstract volume and can participate in all sessions onsite or online.

3) Registration website: <https://wlf5.iplhq.org/registration/>

- The deadline for online registration is 7:59 PDT, 15:59 CET, and 23:59 JST on 31 October 2021
- Please send your inquiries by logging in to “My Page” and clicking on the “Inquiry” button, or send an email to the JTB Coop. Western Japan MICE Branch, WLF5 Desk: t_abe724@jtb.com.

The WLF5 organizing committee sincerely invites readers of *Landslides* to participate onsite or online in the coming the Fifth World Landslide Forum in Kyoto, Japan, as well as to join the high-level panel discussion, “Review of the Kyoto Landslide Commitment 2020 and the way forward,” which is to be expected to launch the ICL Open Access Book Series for KLC2020.
