Correction to: Journal of Medical Ultrasonics
<https://doi.org/10.1007/s10396-020-01077-9>

In the original publication of the article. The sentence in Subject Session “diagnosed as hypertensive at Sakakibara Heart Institute, Tokyo, Japan.” was published incorrectly. The correct sentence is “diagnosed as hypertensive at Tokyo Women’s Medical University Hospital, Tokyo, Japan and associated clinics.”.

The sentence in Research Ethics session “approved separately by the Ethical Committees of Himeji Dokkyo University and Sakakibara Heart Institute, and were in accordance

with the latest revision of the Declaration of Helsinki.” was published incorrectly. The correct sentence is “approved by the Ethical Committees of Himeji Dokkyo University, and were in accordance with the latest revision of the Declaration of Helsinki.”.

Publisher’s Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s10396-020-01077-9>.
