Correction to: Acta Biotheoretica

<https://doi.org/10.1007/s10441-021-09410-6>

In the original publication, the name Pearce was mistakenly processed as Peirce in the (below) three occurrences of the text.

The first of these occurs a line 3 of the paragraph that begins “Trevor Pearce makes clear.” It currently reads Peirce 1877, p. 6. It should read (Pearce, p. 6.)

The other two occurrences are at line 6 of the paragraph on page 2 that begins “Richard Rorty.” It should be changed to Pearce, p. 337.

The final one occurs on the same page at line 7 of the paragraph that begins “On this framing.” It should read Pearce.

The original article has been corrected.
