Correction to: Adsorption

<https://doi.org/10.1007/s10450-019-00141-2>

The original version of the article unfortunately contained mistakes in Tables 1 and 2. Some parameters/constants in the tables are mistakenly in uppercase and there is a miswritten word in Table 2.

The following is correct:

Table 1:

- “K₁” and “K₂” should read “k₁” and “k₂”, respectively
- “Q_e” and “Q_e^{test}” should read “q_e” and “q_e^{test}”, respectively

Table 2:

- “B” and “N” should read “b” and “n”, respectively
- The correct units for K_F should be (mg g⁻¹)/(mg L⁻¹)ⁿ
- In the second column of Table 2 the word/name “Langmuir” instead of “Adsorbent”

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s10450-019-00141-2>.
