Correction to: Algebras and Representation Theory

<https://doi.org/10.1007/s10468-020-10010-0>

The original version of this article unfortunately contains mistakes introduced during the production phase. The equation found in page 21 is incorrect. Below is the correct presentation of the said equation.

$$\beta : (C(H) \otimes_{\max} C^*(Z_k)) *_C C^*(Z_l) \rightarrow M_d(C(H) *_C C^*(Z))$$

Also, the author names of reference 17 and 18 found in the Reference list are incorrect.

17. Malacarne S.: Woronowicz Tannaka-Krein duality and free orthogonal quantum groups. *Math. Scand.* **122**(1):151–160 (2018). <https://doi.org/10.7146/math.scand.a-97320>

18. Neshveyev S., Tuset L.: *Compact Quantum Groups and Their Representation Categories*. Société Mathématique de France, Paris (2013) are the corrected entry.

The original article has been corrected.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
