Correction to: Annals of Operations Research <https://doi.org/10.1007/s10479-021-04220-y>

This erratum is published as the article mistakenly contained Spanish language text in Sect. 2, Table 3, and Table 4.

The second sentence of Sect. 2 should read “This document aims to identify, classify and prioritize the risks of the supply chain faced by small and medium-sized companies manufacturing bread and derivatives to develop a methodology for managing risks of the supply chain” or it can be eliminated.”

In Tables 3 and 4 “Catastrofic” and “Catastrofico” should read as “Catastrophic” and “Critico” should read as “Critical.”

Thus, this erratum is presented to correct the errors.
