Correction to: Archives of Sexual Behavior

<https://doi.org/10.1007/s10508-019-01525-9>

As a result of a typesetting error, the number of participants in the study reported in this article was incorrectly stated in the article's Abstract as originally published.

The correct number of participants is 1345 (rather than 345, as originally stated).

The original article has been corrected.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s10508-019-01525-9>.
