Due to an error during production, a table (Table 1) appeared in the article as originally published that was not intended for publication in the article.

That table has now been removed, and what was originally Table 2 has been renumbered to be Table 1.

The original article has been corrected.

The original article can be found online at <https://doi.org/10.1007/s10508-023-02573-y>.
