Retraction Note to:

Astrophys. Space. Sci. (2007) 308: 309–316
<https://doi.org/10.1007/s10509-007-9319-9>

The authors have retracted this article (McGowan et al. 2007) which was unintentionally submitted in full length as part of a conference proceedings. However, the authors had already published the article in another journal (McGowan et al. 2006). Therefore this article is redundant. All authors agree with this retraction.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
