**Erratum to: Axiomathes**  
**DOI 10.1007/s10516-013-9222-7**

In the online publication, page 13, line 27, after the sentence “Hence, neo-logicism is doomed to failure.”, the following two sentences were missing:

This argument was developed by Robert Trueman in a draft of his paper ‘Sham Names and Abstraction’. A revised version of this paper is forthcoming in *Philosophia Mathematica* under the title ‘A Dilemma for Neo-Fregeanism’.
