Erratum to: Bull Earthquake Eng DOI 10.1007/s10518-015-9837-8

After the online publication of the paper, it was found a bug in the software processing the illustrative nationwide maps shown in Fig. 2. The corrected Fig. 2 is reported below. All the results and the conclusions of the study are not affected by this error, yet authors, who strive for the quality of their work, apologise.
