Erratum to: Biotechnol Lett DOI 10.1007/s10529-017-2406-2

In Table 1 as published, some of the data were wrong.
The corrected Table 1 is shown here.

In addition, according to the corrected Table 1, the sentence “the k_{cat}/K_m of CsnA-CBM5 was higher than that of WT by 143%” in the part of “The kinetic parameters and specific activity” in the Results part should be changed to “the k_{cat}/K_m of CsnA-CBM5 was higher than that of WT by 110%”.
