Correction to: Biodivers Conserv (2017) 26:1295–1310
<https://doi.org/10.1007/s10531-017-1301-4>

In the original publication of the article, in Table 2 under the column “Observed frequency fire scars”, the values of species *Mycocalicium subtile* were published incorrectly as “1” and “0”. However, the values should be “0” and “1”.

The original article can be found online at <https://doi.org/10.1007/s10531-017-1301-4>.
