Correction to: Biogeochemistry Journal Numbering
<https://doi.org/10.1007/s10533-020-00714-2>

The initial online publication contained typesetting mistakes in the author information. The original article has been corrected.

In the original publication, the isotope ratio equation was published with an incorrect value. The correct equation is given here:

$$\delta X(\text{‰}) = \left[\left(\frac{R_{\text{sample}}}{R_{\text{standard}}} \right) - 1 \right] \times 1000$$

The original article can be found online at <https://doi.org/10.1007/s10533-020-00714-2>.
