

Erratum to: Isolated remethylation disorders: do our treatments benefit patients?

Manuel Schiff · Jean-François Benoist · Bogdana Tilea ·
Nicolas Royer · Stéphane Giraudier ·
Hélène Ogier de Baulny

Published online: 27 September 2011
© SSIEM and Springer 2011

Erratum to: J Inherit Metab Dis
DOI 10.1007/s10545-010-9120-8

In the original published article, heading “Discussion”, subheading “Available treatment”, section 5, there is a mistake in the sentence “With oral methionine supplementation (**40–50 mg/kg per day**)”. It should read:

“With oral methionine supplementation (**40–50 mg per day**)”

The daily dose in mg per kg is the mistake.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s10545-010-9120-8>.
