**Correction to: Breast Cancer Research and Treatment**  
<https://doi.org/10.1007/s10549-021-06160-4>

In the original publication of the article, few references were published incorrectly. The correct references are provided in this correction.

Sentence that starts with “Hartman et al...” reference should be:

Hartman M, Drotman M, Arleo EK (2015) Annual screening mammography for breast cancer in women 75 years old or older: to screen or not to screen. *AJR Am J Roentgenol* 204(5):1132–1136.

Sentences that starts with “A recent review also concluded that screening performance...” and “Lee et al...” reference should be:

Lee CS, Moy L, Joe BN, Sickles EA, Niell BL (2018) Screening for breast cancer in women age 75 years and older. *AJR Am J Roentgenol* 210(2):256–263.

Reference 31 should be:

Schoenborn NL, Massare J, Park R, Pollack CE, Choi Y, Boyd CM (2020) Clinician perspectives on overscreening for cancer in older adults with limited life expectancy. *J Am Geriatr Soc* 68(7):1462–1468.

Reference 32 should only be cited once, at the end of the sentence that begins “Decision aids may be useful when engaging...”
