In the original version of this article the author contributions text was incorrect. The correct author contributions text is given below:

All authors made substantial contributions to the conception and design of the study. The acquisition and analysis of data were undertaken by the first author and the third author. While the initial manuscript was drafted by the first author, the second author revised all versions substantially and critically for important intellectual content. All authors approved the version to be published.

The original article has been corrected.
