Andrea Lane Eastman[1] · Denise C. Herz[2] · Lindsey Palmer[3] · Jacquelyn McCroskey[1]

Correction to:

Child and Adolescent Social Work Journal
https://doi.org/10.1007/s10560-023-00918-z

The published version of the article was missing a column header in Table 2 and only listed "Girls (n=3,187)" but did not label the first column "Boys (n=7,681)". This has been corrected with the erratum. To ensure similar formatting errors did not occur again in the process of publication, the author also unmerged one row in Table 3.
