Erratum to: Cellulose DOI 10.1007/s10570-012-9691-7

Patrick Navard of the center for Materials Forming
(Centre de Mise en Forme des Matériaux), MINES

ParisTech, CNRS, Sophia Antipolis, France, was inadvertently left off the list of authors in the original version of the paper. The first author apologizes for this oversight.

The online version of the original article can be found under
doi:[10.1007/s10570-012-9691-7](https://doi.org/10.1007/s10570-012-9691-7).
