### Erratum to: Cellulose (2012) 19:647–659 DOI 10.1007/s10570-012-9661-0

The article “Flocculated flow of microfibrillated cellulose water suspensions: an imaging approach for characterisation of rheological behaviour,” written by Eve Saarikoski, Tapio Saarinen, Juha Salmela and Jukka Seppälä, was originally published Online First without open access. After publication in volume 19, issue 3, pages 647–659, the author decided to opt for Open Choice and to make the article an open access

publication. Therefore, the copyright of the article has been changed to © The Author(s) 2017, and the article is forthwith distributed under the terms of the Creative Commons Attribution 4.0 International License (<http://creativecommons.org/licenses/by/4.0/>), which permits use, duplication, adaptation, distribution and reproduction in any medium or format, as long as you give appropriate credit to the original author(s) and the source, provide a link to the Creative Commons license, and indicate if changes were made.
