CORRECTION

Correction to: Modification of hyperbranched hemicellulose polymer and its application in adsorbing acid dyes

The graphical abstract was revised as follows:

The Scheme 1(a) and Scheme 1(b) were revised as follows:

Scheme 1(a) The structure of methyl red dye, bromocresol green dye and bromophenol blue dye

Scheme 1(b) The modified hyperbranched hemicellulose polymer adsorbed methyl red dye, bromocresol green dye and bromophenol blue dye
